## Benefits

- Square / rectangular design enhances space utilization; more units shipped per pallet.
- The full perimeter seal locks-in freshness for maximum shelf-life.
- Reduces inventories.
- Crack resistant, excellent for frozen food applications.
- Provides optimum product visibility, thus increasing the opportunity for impulse sales.
- Conserve valuable shelf space and create eye-catching product displays.
- Adds convenience and flexibility for increased customer satisfaction and repeat sales.

## Label Panel & Swirl™ Design

The attractive **Swirl™** design provides an upscale package for maximum merchandising appeal and the smooth front panel provides space for easy label placement.

## Environmentally Friendly

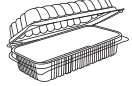

**Reuse – Recycle** ♻️ **PETE** emblem. The recyclable PETE material is the world's most recycled plastic.

## Variety of Applications

The multi-use **single compartmented** containers are perfect for a variety of applications including deli, produce, bakery and take-out.
