

# At Last, Opening and Closing Packaging is a Piece of Cake!

Our revolutionary Twist-Top® cake dome sets the new standard in packaging.

- Eliminates supermarket cake shoppers' #1 concern – getting the plastic packaging open.
- Reduces damage to cake decorations when opening and closing.
- Enhances overall appeal of the cake.
- Easy to close, and locks in freshness – on the shelf and in the home.
- Gives your business a unique and major selling advantage.

*Now your shoppers  
can have their cake –  
and open it too!*
