INTRODUCING THE NEW
9" SWIRL™ BOWL COLLECTION

We Have What Your Customers Demand!

Features

Benefits

Patented Swirl™ Design

- Gives your product a unique and upscale appearance

Juice Trap Option

- Keeps produce above the liquid, allowing your produce to stay fresh longer

Leak Resistant Lid

- Reduces spills and waste

Crack and Crush Resistant

- Excellent product strength protects food items through the entire distribution network

Stacking

- Allows for effective transport, stable displays, and ease of handling

Secure Closure

- Locks in freshness – maximizing shelf life

Large Window Panel

- Allows for large ingredient label / better view of product

Outstanding Clarity

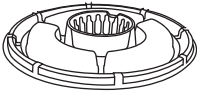

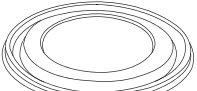

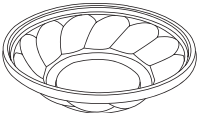

- Provides maximum sales appeal for products being displayed

9" Diameter

- New size available for unique merchandising opportunities

PETE  Material

- World's most recycled plastic
